

# BRISTOL

How many **BIKE PARKING** spaces do you think there are at Temple Meads?

a: there are over 2000 parking spaces

Have a go at matching the names of the bike parts with the numbers on the drawing.

TYRE CHAIN seat frame crank

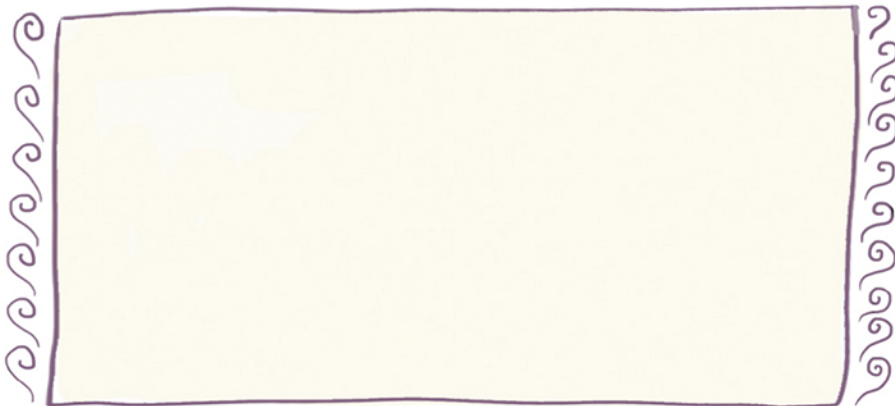

Can you notice something odd about one of the 'Bristol' signs on platform 9? (CLUE: one of the letters was placed incorrectly!)

a: the 's' is upside down

ON what platform do the pillars have SHRAPNEL damage from WW2? Like bullet marks. ASK a member of staff

a: platform 5

In the box below, make a drawing of someone sitting on a bench - give yourself just a minute or 30 seconds!

## DESIGN your own NARROW Boat

Down by the floating harbour you'll see narrow boats that people live in. Design your dream boat in the blank outline below - don't forget to give it a name, windows and to draw whatever else may be aboard!
